April to September 2016

Editorial

Success comes to those who work hard and stays with those, who don't rest on the laurels of the past. The school has incessantly been striving to achieve glory.

It is indeed gratifying that the school has been ranked 1st in the city by Education World Group in category of India's Best Co-ed Day Schools of 2016. It is for the third consecutive year that the school has been acknowledged as 'The Best' in various categories by digital LEARNING Magazine.

Each issue of our Newsletter is a milestone that marks our graph and gives life to our thoughts and aspirations.

Our collaborative efforts to broaden the horizon of students by providing the right atmosphere by organizing students exchange programmes, charity events, music concerts and interactive sessions have never stilled.

For the first time the School hosted 'Vox Populi – The Debating Phenomenon' in the City.

Through such activities, we try to embed self confidence, leadership qualities and understanding of physical, intellectual, emotional and social changes in adolescence.

My thanks to the students, teachers and parents to have been of immense help in breathing life into these pages.

Congratulations!

Abhilasha Sharma

Eternal Mewar
*Custodianship unbroken
since 734 AD*

Description of Eternal Mewar Emblem

The two brackets represent custodianship: Their 'embrace' is non-intervening, non-interfering.

What do they embrace?

One is the red tikka with rice grains, the eternal symbol of a 'welcome' in India.

Second, the rising sun, the first symbol of the family of Mewar.

Maharana Mewar Public School

The ornamented arch of a gateway is a Toran. It is a testimony to the successful completion of an act of Dan i.e. philanthropy performed by the Maharanas of Mewar.

'Dan' means donation which is explained in great detail in our ancient scriptures.

'Dan' is unconditional. It is given to the deserving and those in need, from legitimately earned wealth, with no regrets and with no intention of achieving fame or expecting favours in return.

The Maharanas of Mewar observed the tradition of 'Dan' after a successful completion of a pilgrimage or social welfare activities such as building of temples, public service institutions, environmental and ecological works.

A special Toran was built to commemorate each of these events.

The Maharana of Mewar Charitable Foundation was created by an act of Dan by

His late Highness Maharana Bhagwat Singh ji Mewar in 1969 to

'honour recognition of works of permanent value rendered to society'.

The Vidyadan Trust constituted along with Maharana of Mewar Charitable Foundation epitomizes its commitment to the 'pursuit of knowledge'.

It serves as a 'temple of learning' for future generations and perpetuates the educational initiatives of 'Eternal Mewar'.

A Shiv- ling was placed on top of the Toran to invoke divine blessings.

The lighted lamp in the centre symbolizes removal of darkness to attain wisdom.

The English Translation of The Motto

Wisdom gained from good education shall always lead to the right decisions.
