October to March (2016-2017)

**MAHARANA MEWAR
PUBLIC SCHOOL**

Editorial

It is indeed satisfying to see that the School is making indefatigable efforts to give the best to the students. For the same, it has been bestowed with coveted awards. There has been no looking back. I congratulate the entire fraternity for putting in their best with the support of the Management and the Principal.

Education is the greatest treasure and an important social domain. It has a broader connotation as it is not merely about acquiring knowledge through books and sharpening intellect. It includes aesthetic development as well through co-curricular activities.

Keeping this in mind, the School buzzed with an array of activities to train the students for creative thinking so as to face the challenges in the cut-throat competitive world around.

The session saw IIMUN, Baroque Music Concert, Visits of International Artists, Interactive Sessions, Olympiads, Meditative Sessions, Seminars and Workshops for students and teachers. Students participated in cultural and social programmes which helped them in socialization and self identification.

Sifting through the pages, you will see events, activities and academic achievements of the students. This will boost our morale and help us go tirelessly in pursuit of taking the School to the next level.

Hope the students participate with same passion which would enable them in developing balanced personality.

Abhilasha Sharma

ACCOLADES
