Thank you!

A red pen is shown writing the words "Thank you!" in a cursive script on a white surface. The pen is positioned at the end of the word "you!". In the top left corner of the white area, there is a small grey circle with a white 'X' inside. The background of the entire image is split: the left side is a solid light blue, and the right side is a white area with faint, repeating watermark icons of a lightbulb and a magnifying glass.
