Dear Students, Parents and Team Maharana Mewar Public School,

After spending quality time at the campus, a visitor to our School had once remarked, "I know what the 'P' of MMPS stands for...it stands for 'Passion'."

I could not have agreed more with our esteemed parent!

For it is passion that distinguishes us. Over these last few years, as a Trustee, I have worked to the best of my abilities to create an environment in which students, teachers, the administrators and the parents feel 'passionate' and empowered not just about academics and results, but equally about music, art, crafts, sports, IT and whatever it is that catches their imagination.

Let us not forget that it is passion which makes us excel, it makes us go that extra mile, find that 'second breath' which makes us achieve higher goals. Excelling, or excellence, does not come easy; but then the best things in life do not come easy!

We must strive to do our best and continue to extract more from our own selves.

As you go through the Annual Magazine, you will find innumerable examples, page after page, of how MMPS students have energetically participated in different sports and art-and-music competitions, talent search examinations: it does not matter what 'rank' they secured, what matters is the 'spirit' with which they participated. And how confident they felt going into a bigger arena, and emerging from it.

I am extremely proud of this wide-ranging participation and engagement our students, teachers and administrators have demonstrated. Be it in Udaipur, across different cities of Rajasthan and India, they have participated with enthusiasm and gusto. Each one of them, in their own way, has gained in experience, discovered their own strengths and weaknesses and are today more resolute than ever before.

I sincerely hope that the efforts of our teachers and students is equally matched with the support of the parents. Being a young parent myself, I can say that the responsibility for a child's growth and developments rests equally within the home, with parents and grandparents providing much-needed encouragement. As we are living in a fast-changing world, parents need to be fast learners and be equipped to guide their child. The Internet, while it is a great source of information and learning, is also a mine-field. Parental guidance is much needed as laptops and mobiles have now become a part of our homes.

At MMPS, we continue to grow.

Year after year our class-rooms, laboratories, hostel facilities are constantly being renovated and upgraded. I take this opportunity to thank all the management staff who have shouldered this work and provided the best possible resources for our students. I pray to Parameshwaraji Maharaj Shree Eklingnath ji to bless all of us with the energy and strength to excel in our endeavours and make Maharana Mewar Public School proud of such hard-earned achievements. Let nothing stop us in the year ahead!

Lakshyaraj Singh Mewar of Udaipur

From The Principal's Desk

The Wheel of Time moves on and it compels us to gauge our progress.

The main purpose of the School is to provide the fullest possible development of each learner for living morally, creatively and productively. A student enters School as a unique individual moulded by genes; environment and a certain spark within himself. There is a dire need of awakening his inner self wherein lies the very purpose of education.

Academic rigours, Co-curriculum Activities, Educational Trips, Workshops, Seminars are pressed upon at Maharana Mewar Public School so as to meet the changing scenario in the educational system. Visits of renowned Sportspersons, Educationists and Alumni were the highlights of the Session.

I am pleased that the School has been ranked 1st in the City for the second consecutive year by 'digital Learning India'; Asia's Premier Monthly Magazine.

By the grace of Lord Eklingji, we on the land of Mewar are here to serve the society and fulfill the dreams of the great visionary HH Maharana Sahib Shri Bhagwat Singhji Mewar of Udaipur. We strive indefatigably to spur higher growth and enterprise in students.

Hope this edition will draw your applause for all the endeavors put in by students and teachers.

EDITORIAL

Never think there is anything impossible for the soul. It is the greatest heresy to think so. If there is sin, this is the only sin- to say that you are weak or others are weak. The more we come out and do good to others, the more our hearts will be purified and God will be in them. In one word this ideal is that 'you are divine'.

Swami Vivekanand

It is said that the heart of education is the education of heart. To develop a passion for learning so that children don't cease to grow, to help children develop to their fullest-making a substantial difference in their lives and lives around, to foster sympathy, kindness, generosity and divinity in order to be worthy individuals.

We at Maharana Mewar Public School have always striven to foster a fine blend of sensibilities in children, to develop intelligence along with character in their struggle to live up to highest expectations.

The school acknowledges and encourages the talent hidden in each child and credits its eminence in the achievements of the students.

This annual edition of the school Magazine espouses the spirit of humble pride and glory by highlighting students' excellence in academics, cultural, sports and co-curricular activities.

Hope you enjoy and appreciate this endeavour.

Happy Reading!

सुधी पाठकगण,

विचार जब शब्दों के कलेवर में सामने आते हैं तभी सार्थक हैं। विचारों एवं भावों को जब कल्पना के पंख लग जाते हैं तो रस की निर्झरी साहित्य, संगीत, कला आदि अनेक रूपों में प्रवाहित हो कर सहृदयों को स्पंदित कर देती है। इसी तथ्य को ध्यान में रखकर विद्यालय में छात्र-छात्राओं की सृजनात्मकता को पोषित कर उसे अभिव्यक्ति के अवसर दिये जाते हैं, जिसका आड़ना है यह विद्यालय पत्रिका। जब पत्रिका ने साकार रूप लिया तो एक सुखद अनुभूति हुई कि विद्यार्थीगण बहुआयामी प्रतिभा के धनी हैं। किसी भी युग की ताकत है उसकी तरुणाई, उसकी नई पौध। हमारी इस पीढ़ी के पास शिक्षा है, विचार है, प्रशिक्षण के प्रकार हैं और अपनी पहचान बनाने की उत्कंठा है जिसके सहारे वह अंतरतम की गहराइयों से रत्न निकालकर बाहर लाती है। बच्चों की प्रतिभा मूल्यबोध, सौन्दर्यबोध, हास्य, व्यंग्य आदि अनेक रूपों में सामने आई हैं। इन उभरते रचनाकारों के हृदय में भावों की प्रगाढ़ता का जो मधुपर्क उद्भूत हुआ है वह आपके सामने प्रस्तुत है। बाल रचनाओं ने भाषा एवं शिल्प के चरमोत्कर्ष को भले ही न छुआ हो पर वाग्देवी के मंदिर में चढ़ाए नैवेद्य की भाँति आप इन्हे स्वीकर करेंगे, इसी आकांक्षा के साथ-
