Editorial

Recognition has come to Maharana Mewar Public School in form of The Best Schools Award. The School has also been felicitated for its commendable contribution in the field of Scouting and Guiding.

It is our onus to impart knowledge, kindle inspiration and encourage creative thoughts in students for which we put in honest infinite labour.

This year, we introduced GESE by Trinity College, London, an English Language Course to encourage learning in school. Kahaani Fest was a grand event brought with the aim of taking learning beyond the classroom and help students freely explore the realm of their imagination and creativity.

English, Sanskrit, Social Science and Mathematics Week were celebrated wherein myriad activities were conducted to infuse love for languages and develop capabilities of comprehension and analysis as well.

Robotics, Science and Career Counseling Sessions were held to give students impetus to grow.

Besides Academics, our students brought laurels to school by winning prizes in Sports, Quizzes, Olympiads and various other fields.

This Newsletter gives us fascinating insights into the works in school. Our heartiest congratulations to all who have put in genuine efforts.

Hope we succeed in our endeavours.

Eternal Mewar

*Custodianship unbroken
since 734 AD*

Description of Eternal Mewar Emblem

The two brackets represent custodianship: Their 'embrace' is non-intervening, non-interfering.
What do they embrace?

One is the red tikka with rice grains, the eternal symbol of a 'welcome' in India.
Second, the rising sun, the first symbol of the family of Mewar.

Maharana Mewar Public School

The ornamented arch of a gateway is a Toran. It is a testimony to the successful completion of an act of Dan i.e. philanthropy performed by the Maharanas of Mewar.

'Dan' means donation which is explained in great detail in our ancient scriptures.

'Dan' is unconditional. It is given to the deserving and those in need, from legitimately earned wealth, with no regrets and with no intention of achieving fame or expecting favours in return.

The Maharanas of Mewar observed the tradition of 'Dan' after a successful completion of a pilgrimage or social welfare activities such as building of temples, public service institutions, environmental and ecological works.
A special Toran was built to commemorate each of these events.

The Maharana of Mewar Charitable Foundation was created by an act of Dan by
His late Highness Maharana Bhagwat Singh ji Mewar in 1969 to
'honour recognition of works of permanent value rendered to society'.

The Vidyadan Trust constituted along with Maharana of Mewar Charitable Foundation
epitomizes its commitment to the 'pursuit of knowledge'.

It serves as a 'temple of learning' for future generations and perpetuates the educational initiatives of 'Eternal Mewar'.

A Shiv- ling was placed on top of the Toran to invoke divine blessings.

The lighted lamp in the centre symbolizes removal of darkness to attain wisdom.

The English Translation of The Motto

Wisdom gained from good education shall always lead to the right decisions.
