Dear Students, Parents and Team Maharana Mewar Public School,

There are no full stops at MMPS!

I have adapted this phrase from the title of a famous book 'No full stops in India'.

As you leaf through these pages of the 2015-16 edition you will realize that MMPS students, teachers, alumni and senior management have pulled out all the stops, shown how alive and responsive they are to new challenges and opportunities. MMPS as an educational institution, our Principal Mr Sanjay Datta and innumerable students have been honoured and bestowed with prestigious awards throughout the year. Bravo Team MMPS!

There is non-stop applause in my words and actions.

Academic excellence is important for all of us. It is paramount, if you ask me.

At the same time, extra-curricular activities: participation in sports, arts, crafts, music and dance, workshops and seminars, travel and exposure to the real world: are equally important and significant.

I am truly delighted that MMPS students, teachers and the management have demonstrated their eagerness to excel in all these fields. It really does not matter whether the MMPS student achieved the 1st rank; for me, there is nothing wrong in being the 2nd or the 3rd on the podium! It is the spirit of participation and the quest to do your best which I am applauding. There can be, and should not be, any full stops in this drive of sheer dynamism.

More power to Team MMPS.

These well-earned achievements, and all-round participation, have also come with hidden challenges: The challenge of fighting complacency. As an institution, as teams, we cannot become complacent at any time or take things for granted. I urge our students, teachers and the management to keep moving ahead, set new goals and keep raising the bar higher. While 2015-16 will remain a landmark year, the years ahead should make us 'do more' and 'learn more'.

No full stops in our learning process!

For all of us the ultimate goal, through this whirlwind of academic and extra-curricular activities, is to emerge happier than ever before, with radiant smiles of satisfaction.

Today the term 'gross national happiness' is being acknowledged as the new barometer to judge our progress as citizens, individuals and communities.

I pray to Parameshwaraji Maharaj Shree Eklingnath ji to bless us all with the positive energy to become happier in our chosen areas of work at the Maharana Mewar Public School.

May there be no full stops in our lives filled with happiness!

From The Principal's Desk

It is actually a lovely experience to see that the students and teachers of the School are all geared up to stand up with the changes that are taking place at an accelerated rate in the education world.

Motivated by the three Es – Educate, Enlighten and Empower, the Maharana Mewar Public School fraternity is all set to give the right education to its students.

The School has reached yet another milestone by being conferred International School Award by The British Council and The Best School Award by digital LEARNING Magazine. The students have done exceptionally well in academics which is the prime need in today's time. The students have exhibited the same passion in co-curricular activities as well. The students have been provided ample opportunities to vent out their passion for Sports, Quizzes, Science Exhibitions, Literary and Social Activities at State and National level.

The students have brought laurels home and done us proud. We would never sit back on those laurels and keep working consistently to live upto the School Motto "VIDDYOTPANN VIVEKEN SADEV SYATSUNIRNAY"

All we need is the support of parents and well wishers to carry out our duty towards the society.

Sanjay Datta

EDITORIAL

“True knowledge is not attained by thinking. It is what you are, it is what you become. An aimless life is always a troubled life. Every individual should have an aim. But do not forget that the quality of your aim will depend on the quality of your life. Your aim should be high and wide, generous and disinterested; this will make your life precious to yourself and to others. Whatever your ideal, it cannot be perfectly realized unless you have realized perfection in yourself.”

Shri Aurobindo

Each triumph accomplished gives strength to accomplish even more. This Annual School Magazine is yet another pious attempt to highlight the achievements of students who have been striving indefatigably to bring laurels and glory by their own unique power of perceiving, exploring and winning. This year book also highlights the plethora of activities conducted around the year and also gives vent to students' passion for creative and original thinking.

The inevitable changes that come with every phase of life should not be viewed as threats but opportunities to deepen understanding to further foster wisdom and growth. We educators have always been involved in the onerous task of guiding students towards the path of enlightenment and self-improvement.

As they say, “One step starts a journey and one hope raises the spirit.” So let's together continue the sacred journey with commitment, passion, purpose and persistence to soar high to achieve the still unattainable.

Happy reading!

संपादकीय

सुधी पाठकगण,

‘वीरभोग्या वसुंधरा’ यह धरती निश्चित ही कर्मस्थली है। यहाँ कर्मवीर ही चुनौतीपूर्ण रास्तों से रोमांचित होते हैं और अविश्वसनीय एवं असंभव से लगने वाले लक्ष्यों को भी करतलगत कर लेते हैं, शुष्क शिलाओं से रस की निर्झरी बहा देते हैं। अनवरत क्रियाशीलता में जीवन का सौन्दर्य है क्योंकि इसमें गति है, ठहराव नहीं। हमारा विद्यालय परिसर इस क्रियाशीलता का जीवंत उदाहरण है जहाँ अनवरत सृजनयात्रा चलती रहती है।

बदलते हुए परिदृश्य में शिक्षा मात्र विषयों के ज्ञान की सीमा से निकलकर बहुआयामी हो गई है, इसी तथ्य को ध्यान में रखकर विद्यालय में छात्र-छात्राओं की कल्पनाओं, उद्भावनाओं, जिज्ञासाओं एवं विचारों को परिष्कृत करते हुए उन्हें अभिव्यक्ति का विस्तार प्रदान किया जाता है ताकि वे लीक से हटकर नये-नये कीर्तिमान बना सकें। हमें खुशी है कि गत सत्र में भी विद्यार्थियों ने ज्ञान-विज्ञान के विभिन्न क्षेत्रों के साथ-साथ कला, खेल, नृत्य, संगीत आदि में भी अपने अंदर निहित संभावनाओं को चरमोत्कर्ष तक पहुँचाने के लिए उड़ान भरी है जिसकी झलक है यह विद्यालय पत्रिका। पत्रिका का यह अंक भी अनवरत सृजन यात्रा का एक पड़ाव है। नयी पौध ने अपनी लेखनी से विविध रंग बिखरे हैं और अपनी रचनाओं में साहित्य के बीज बोने का लघु प्रयास किया है। सहृदय साहित्य मर्मज्ञ बच्चों की इस भावांजलि को अपना आशीर्वाद प्रदान करेंगे इसी आशा के साथ समर्पित है पत्रिका का यह अंक।

Annual Awards Ceremony

The image captures a large-scale musical performance by the Maharana Mewar Public School Orchestra. The stage is set against the backdrop of a grand, multi-tiered stone building, likely a palace or fort, which is illuminated with warm, golden light. The orchestra is arranged in two main sections. The front section consists of students sitting on the floor, playing various stringed instruments, including sarod and veena. Behind them, a larger group of students is seated on a raised platform, playing keyboard instruments and singing into microphones. The stage is decorated with white and gold drapery and garlands. The overall atmosphere is festive and formal, befitting an awards ceremony.
