Dear Students, Parents and Team Maharana Mewar Public School

We are the 'best'...and doubly so! It feels wonderful to learn that our Maharana Mewar Public School has adjudged the 'best school' in Udaipur by Education World and Digital Learning. At the same time, the city of Udaipur has been voted among the 'Top 15 Cities of the World' for the second time. What an honour it is for us all, a matter of immense pride to be in the best School of the best City!

Yet such honours and ratings also come with a huge responsibility. It comes with a hidden message that we cannot rest on our laurels, we cannot sit back and take it easy. If nothing else, it just means that we have to work harder, keep raising the bar and keep performing to the best of our abilities, competencies and skills.

Time and again, I have exhorted myself and our MMPS team of teachers and students that we are NOT in competition with the world. We are in competition with ourselves. We have to be the best we can be. Strive the hardest and it really does not matter whether we get the first position or are runners-up or come fifth. I am happy to note that our students have been participating in several academic and sports competitions in Udaipur, Rajasthan and across the Country. They have been excelling and doing us proud.

I take the opportunity of congratulating the students, their parents and teachers who have contributed to their success. May the blessings of Parameshwaraji Maharaj Shree Eklingnathji give them more strength and reaffirm their confidence in themselves. I shall always pray for the success of every MMPS student and their families as they imbibe the spirit of excelling and doing the best they can in every situation, and never lose hope or faith.

The Annual Magazine, as you go through it, is filled with page after page of achievements of MMPS students. They have actively participated in academic, sports, arts, music and creative competitions. I believe such a 360-degree exposure to the real World is invaluable for the continuing growth of the students. Our learning can never stop. And I sincerely hope that every parent will continue to encourage their children to participate and become keen team-players in the classroom and out of it too.

My best wishes for healthy, productive and happy years ahead.

From The Principal's Desk

'Education is the most powerful weapon which can be used to change the world. An investment in knowledge pays the best interest.' It is our duty, commitment and privilege to provide quality education to the students. I take pride to share with you all that Maharana Mewar Public School has been ranked 1st in The City for the third consecutive year in the category of India's Best Co-educational Day Schools – 2016 by Education World Magazine and for its online presence in its Nation wide School Ranking Survey by digitalLEARNING Magazine. The School is also proud recipient of the coveted 'Time Education Achievers Award – 2017' and 'Most Safe School Award'.

Congratulations! Students, Parents, Teachers and the entire Maharana Mewar Public School Fraternity. Let the applause resonate so as to keep us going. Thankfully these laureates act as reinforcement rather than making us complacent. It is, indeed, gratifying to see all our students excelling in Academics, Literary, Sports and various Co-Curricular Activities at State, National and International Levels. Maharana Mewar Public School is first to host Vox Populi in The City. The School also lifted Vox Populi Delegation Trophy and IIMUN Delegation Trophy for the second consecutive year. We have been blessed to have several National and International dignitaries. Guests from the Raj Kumar College, Mr Shane Watson and Ms Lizze Tribune visited to evoke a sense of philanthropy among the students. Mr Claus Muller and Mr Carsten Muller, members of German Parliament, Mr Salim Merchant and Dr Rahat Indori have been distinguished guests for the year. Education is the most important component and the biggest asset but the need of the hour is to make students turn into a positive soul which is able to see the invisible, feels the intangible and achieves the impossible with a heart for a better society. Hopefully, we will succeed in establishing a better world for our students by making them 'Humans' for a better tomorrow. This will happen with the collaborative efforts of parents, teachers and students. Let us join hands together in the mission to achieve our goals.

EDITORIAL

So better you do what I wish, than it will happen as you wish”

Yatharth Geeta

It gives me immense pleasure to bring out this edition of the School Magazine which bears testimony to the efforts and mooring of the MMPS fraternity. Each academic year is an effort to quantify overall development of a child in the continuum of growth of our most precious resource, the children.

As teachers and as a school it is an endeavour to provide the best that we can, to the future placed in our care. It was heartening to note that the school has been ranked 1st in the City by Education World Group in category of India's Best Co-educational Day Schools of 2016 and ranked first for the third consecutive year in the city for its online presence by digitalLEARNING Magazine, elets.

It has also achieved 'Time Education Achievers Award-2017' and 'Most Safe School Award'.

The students performed exceedingly well in academics, sports, quizzes, Olympiads, club activities, fine arts and designing, music, band and orchestra performances, literary activities, educational trips and Inter-House presentations.

This edition of magazine I hope proves that there was none day as a dull day and that all stake-holders have played their part in full measure to live up to the ideals of the founding fathers.

सुधीजन

एक नन्हे से बीज में एक विशाल वृक्ष बनने की अनंत संभावनाएँ निहित होती हैं। अनुकूल वातावरण में मानव के श्रम का स्पर्श पाकर नन्हा बीज अदम्य जिजीविषा के साथ संघर्ष कर अंधकार के गर्त से बाहर आकर खुले संसार में एक वृक्ष के रूप में अपनी पहचान बनाता है। ठीक इसी प्रकार एक बालक में अनंत संभावनाएँ छिपी हैं। उसमें एक कलाकार की थिरकन है, साहित्यकार का स्पंदन है, वैज्ञानिक की धड़कन है.....। इन संभावनाओं को साकार करने के लिए आवश्यक है कि बच्चों की प्रतिभा को सकारात्मक परिवेश में योग्य संरक्षण में तराशा जाए, उनकी उर्जा को अर्ध्वमुखी किया जाए। विश्व पटल पर अपनी पहचान बनाने के लिये जिस साहस और आत्मविश्वास की आवश्यकता होती है उससे अभिपूरित करने में कोई कसर न छोड़ी जाए। महाराणा मेवाड़ पब्लिक स्कूल इसी उद्देश्य से विद्यार्थियों के चतुर्दिक उन्नयन के लिये अनवरत और अथक प्रयास कर रहा है।

अभिव्यक्ति की कुशलता ही कला है, जो इसमें पारंगत है वही सफल है। सफलता की यात्रा की कुछ झलकियाँ दिखाने का एक विनम्र माध्यम है यह विद्यालय पत्रिका। केवल शैक्षिक जगत में ही नहीं वरन विविध पाठ्य सहगामी क्रियाओं, खेलकूद आदि स्पर्धाओं में प्रगति की ओर अग्रसर है हमारी नयी पौध। विद्यालय परिसर में समय-समय पर होने वाले साहित्यिक कार्यक्रम, भविष्य निर्माण संबंधी कार्यशालाएँ, वैज्ञानिक प्रदर्शनियाँ आदि किसी परिचय की मोहताज नहीं है, फिर भी विद्यालय की विशिष्ट प्रतिभाओं एवं क्रिया कलापों की झलक दिखाने के उद्देश्य से वार्षिक पत्रिका का प्रकाशन पूरे उत्साह से किया जा रहा है।

नवांकुरों ने अपनी लेखनी से कुछ रंग बिखरे हैं जो आप सहृदय पाठकों के हृदय को अवश्य स्पंदित करेंगे। बच्चों की भावनाओं, कल्पनाओं और विचारों का यह अर्घ्य वाग्देवी के चरणों में समर्पित है। आशा है आप सुधीजन इन नवांकुरों का उत्साहवर्धन करेंगे।
