Satisfaction! Contentment! Happiness!

We look back at the year gone by with these defining words. The students, teachers and administration of Maharana Mewar Public School (MMPS) have once again done us proud. As you go through these pages you will see a veritable roll-call of achievements, each one as remarkable and hard-earned as the next.

These laurels which we have collectively won give us tremendous confidence, optimism and fill us with positivity. There is no room for complacency or laid-back attitude.

We want to grow and grow beyond our own expectations. This is the challenge we have set for ourselves in the years ahead.

I am often asked about the growth of MMPS beyond The City Palace, Udaipur.

My answer: Our students are growing. A young student-scientist presenting his paper at Delhi University; students qualifying for professional courses and winning at Olympiads, sports events and NCC camps across the country...they symbolize and epitomize the growth of MMPS. They are taking MMPS places! We could not have asked for more...

Growth is a state of mind. It is fuelled by thoughts driving us to excel ourselves not by diminishing our competition or colleagues. But driven to reach goals of excellence, be it in the classroom, in the lab or out on the sports-field.

To be driven by positive energy makes us stronger and provides a shield or a firewall (to use IT language) against the insecurity and uncertainty in our world. I am happy to state that MMPS students and teachers today are in the league of achievers; they are also mentally and emotionally growing stronger. And that is the real achievement. The real growth of the year gone by...and it will stay with us for a long time to come.

My best wishes to all the students, teachers, parents and administrators for the new year ahead. Jai Mewar!

From The Principal's Desk

What a piece of work is man! How noble in reason! How infinite in faculty!

How very true are the above words of Shakespeare which give us a message of our infinite potential. All we need is to empower our minds and hearts with wisdom, humility and nobility.

Let me take this opportunity to congratulate the entire teaching faculty for working tirelessly towards excellence and for contributing their bit to set new milestone with every passing year which has helped us earn a few 'The Best' School Awards. Nothing is harder on your laurels than resting on them. Session after session we keep redefining our system so as to assist students move with time. The students at Maharana Mewar Public School are moving on the path of eventful journey creating new milestones in academics, sports and other co-curricular activities. We remain committed to bringing out 'The Best' in our students.

The students have fared extremely well at State, National and International Level in academics, sports and other co-curricular activities.

Maharana Mewar Public School has always stayed away from falling in mundane and boring routine of classroom teaching and learning process and has been extending facilities to students which are at par with global education. Field trips, workshops, technological activities and seminars help students enlarge their horizon in order to conquer the high tech world with both their hearts and minds.

Education is involvement of both mind and heart and an imbalance between the two will definitely steal the society of all its goodness. The principle of dominance has taken a back seat and the principle of partnership works effectively wherein educators, parents and students ought to involve. Let us experience the joy of life by making education a joyful memorable experience and help students reach towards Excellence.

Sanjay Datta

EDITORIAL

School is the place which helps a child imbibe learning with passion. Undoubtedly, the school environment boosts confidence and prepares students for the future and for them to become productive members of society.

The students at Maharana Mewar Public School are taught to look at the growth of the world as their own growth. We have added a global perspective in all our efforts. With the transforming waves, even the leadership role is changing. The future workforce will have to process thought leadership.

So the leaders of tomorrow will have to generate and create their own structures and cross-linkages by which they will communicate and do their business.

Through the academic programmes, through the students' social interaction and through our mandatory co-curricular programs, we give students the tool to grow into successful, independent adults.

This edition will provide you with an insight into academic, sports and cultural achievements. Students have been participating enthusiastically in Robotics, Olympiads, NCC, Scouts and Guides, Music, Art and Club Activities and above all in Academics. Our efforts have been acknowledged by various organisations for which we have been consistently rated satisfactorily.

We are sure that innovative ideas and hard work exhibited by MMPians will surely get attention of the readers. The environment and staff members recognize, appreciate and foster the fine blend of positivity, sensibility and value education for a better society.

Shweta Sukhwal

संपादकीय

सुधी पाठकगण,

'सा विद्या या विमुक्तये' विष्णुपुराण में विद्या की सर्वोत्कृष्ट सर्वव्यापक प्रगतिशील परिभाषा दी गई है। वस्तुतः विद्या वह है जो हमें अज्ञान से मुक्त करे, रूढ़ियों से मुक्त करे अंधकार से मुक्त करे ताकि हम बंधनमुक्त होकर असीम आकाश में उन्मुक्त विचारों के पंख फैलाकर दिग्दिगांतर तक ऊँची उड़ान भर सकें, अनंत के साथ तादात्म्य स्थापित कर सकें। महाराणा मेवाड़ पब्लिक स्कूल ने विद्या की इसी व्यापक परिभाषा को ध्यान में रखते हुए इस सूक्ति को अपना 'सूत्र वाक्य' माना, शिक्षा की आधार शिला माना। विद्यालय अपने प्रांगण में आने वाले हर ज्ञान पिपासु बालक बालिका में इस 'सूत्र वाक्य' को चरितार्थ करने में प्रयासरत है। अपने सीमित अर्थ में विद्या को प्रायः जीविका का उपार्जन करने वाली 'अर्थकरी' मान लिया जाता है, इस विद्या के द्वारा व्यक्ति कार्यक्षेत्र में उतरकर अपनी विशिष्ट पहचान बनाता है, पर यह व्यक्ति समष्टि से भी बंधा है। विद्या के 'परमार्थकरी' रूप के द्वारा व्यक्ति समष्टि के साथ भली भाँति जुड़ पाता है। वह बुद्धि के साथ हृदय का परिष्कार करते हुए समाज के प्रति अपने कर्तव्य-अकर्तव्य का निर्धारण करता है। यदि बुद्धि से तीव्र किंतु मन से अस्वस्थ युवा कार्यक्षेत्र में प्रविष्ट करता है तो विसंगति उत्पन्न होती है जो किसी भी स्वस्थ समाज के लिये सकारात्मक नहीं है।

विद्या के इसी व्यापक उद्देश्य को ध्यान में रखते हुए विद्यालय परिवार अपने उपलब्ध संसाधनों के द्वारा एक ऐसी पौध तैयार करने में संलग्न रहा है, जिसमें बुद्धि, मन एवं कर्म का अद्भुत समन्वय हो।

विद्यालय पत्रिका विद्यालय की इन्ही शैक्षणिक उपलब्धियों एवं पाठ्य सहगामी क्रियाओं की तस्वीर प्रस्तुत करती है। इस सत्र में भी विद्यार्थियों ने श्रेष्ठ परीक्षा परिणामों से विद्यालय को गौरवान्वित किया है तथा खेल, साहित्य, कला, विज्ञान आदि क्षेत्रों में भी विशिष्ट पहचान बनाई है। चाहे विद्यालय की कला वीथिका हो, या विज्ञान की प्रयोगशाला, संगीत-नृत्य की स्वर लहरी हो या योग की क्रियाएँ, खेल के मैदान का रोमांच हो या पुस्तकालय की गंभीरता, हर गतिविधि समग्र प्रभाव छोड़ते हुए एम.एम.पी.एस.के विद्यार्थी के रूप में एक संपूर्ण व्यक्तित्व का निर्माण करती है। इस सृजन यात्रा में ही बच्चों ने अपने अमूर्त भावों को शब्दों का कलेवर देकर कविता, कहानी आदि के रूप में संजोया है, साहित्य मर्मज्ञ नयी पीढ़ी के इस लघु प्रयास को सराहेंगे और अभिव्यक्ति के उत्सव को विस्तार देंगे। नये-नये क्षितिजों की तलाश जारी रहे इस आशा के साथ समर्पित है पत्रिका का यह अंक।
